Prerequisites and special admittance requirements

Course structure

Examination code	Name	Higher Education Credits
1000	Special Project	15

Course content

Unit 1. Degree essay includes essay seminars, 15 credits.
An independently carried-out essay about a linguistic, literary, cultural-historical or inter disciplinary subject. It includes a seminar common to all specializations. The degree essay to be carried out with a knowledge of and agreement to the norms of current research ethics.
Unit 2. Lectures, 0 credits.
A look into current research and debate within the field.
Compulsory attendance at at least 3 lectures.
The course is useful for those who want to deepen their subject competence in Czech as well as gain a certain experience of scientific work.

Learning outcomes

On completion of the course the student is expected to;
• show the ability to search, collect, evaluate and critically interpret relevant information in an approach to a problem in the main area of the education.
• show the ability to independently identify, draft and solve problems from the knowledge about applicable methods in the subject as well as accomplishing the degree project within the given period of time.
• show the ability to account for and discuss the reason for the exam work and its result both orally and in writing.
• observe the norms of current research ethics.

Education

Instruction is given in the form lectures and seminars. The form and extent of the training may be adjusted according to the number of students in the course as well as to the economic situation of the Department.

Forms of examination

a. Assessment is based on the Degree project/opposition/compulsory attendance/written assignments.
b. Grades are given according to a criterion referenced seven-point scale: A=Excellent, B=Very Good, C=Good, D=Satisfactory, E=Adequate, Fx=Insufficient, F=Fail
c. The assessment criteria for the course will be distributed at the beginning of the course. A student who has received a grade of E or higher may not take the test again in order to get a higher grade.
A student who has received the grade of Fx or F twice on a given test and by the same examiner can, on application, be granted a new examiner, unless there are specific reasons against it. The application should be addressed to the Board of the department.
Undervisning:
Instruction is given in the form lectures and/or seminars. The form and extent of the training may be adjusted according to the number of students in the course as well as to the economic situation of the Department.

Limitations

This course may not be included in a degree together with a course, taken in Sweden or elsewhere, of identical or partially similar content.
