

# **International Commercial Dispute Resolution**

*Spring 2022*

## **Reading list**

### **Course literature and materials:**

The course materials consist of a collection of legislation, conventions, rules and guidelines.

A course compendium will be available electronically.

Reading assignments for lectures and seminars will be provided to you in advance of the lectures and the assigned materials will be available through the university library data bases and/or distributed through the course page. Students will be given instruction on accessing and using these data bases.

### **The course book is:**

Blackaby, Partasides, Redfern & Hunter, Redfern and Hunter on International Arbitration, (6th ed, 2015, Oxford)

Students can access the book without cost through the Kluwer Arbitration database, available through SUB on their student accounts. If you prefer a hardcopy, it can be purchased via various internet sites.

### **Recommended literature on Swedish arbitration:**

*International Arbitration in Sweden, A Practitioner's Guide*, Magnusson, Ragnwaldh & Wallin (eds) (2<sup>nd</sup> ed. 2021, Wolters Kluwer)

Available for purchase or at no cost on SUB database: Kluwer Arbitration
